

# EXIN Career Path certifications' exemptions 202005

# Main policy of exemptions

# Policy of exemptions

## **General:**

- VeriSM Foundation can be replaced by EXIN ITSM, SIAM, ITIL, MOF, where ITIL counts as an external certificate;
- An EXIN certification can be replaced by a module in the same program of a higher level;

## **For Certified Integrator:**

- 1 out of 3 certificates can be from an external party. Where external means that the certification is not in EXIN portfolio;

## **For Career Path:**

- Advanced certification must be from EXIN;
- Foundation certifications, 1 can be from an external party; The accepted external certificates are listed on the specific career path certificate slide;
